Student Services is your connection to the McIntire Community
Opportunities to Pursue Business at the University of Virginia

- Combining Commerce electives with a degree from College, Engineering, or other school.
- Participation in externships, internships, extracurricular organizations related to business.
- McIntire Business Institute – certificate program taught as a four-week summer program, yearlong program, or online.
- Leadership Minor – a three-year, 15-credit interdisciplinary minor offered by McIntire for all University students.
- Entrepreneurship Minor – 18-credit interdisciplinary minor with concentrations in social entrepreneurship or technology entrepreneurship.
- Master of Science in Commerce – one-year graduate program for non-business undergraduate students.
- Bachelor of Science in Commerce – two-year undergraduate program.
M.S. in Commerce

- Fifth-year, 10-month global program for recent non-business graduates

- Includes Integrated Core with concentrations in:
  - Finance
  - Marketing & Management
  - Business Analytics

- Fall (15 hours): Integrated Core
- Spring (14 hours): Concentration Courses
- Summer (9 hours): Global Immersion Experience
B.S. in Commerce

- Consistently ranked as one of the top undergraduate business programs in the nation

- A two-year business program that builds upon a solid, two-year liberal arts background

- The home of a cutting-edge Integrated Core Curriculum
  - Foundation of Analytical and Technology Skills
  - Emphasis on Leadership, Integrity, Communication, and Teamwork
  - Integrative vs. Functional Perspective
  - Global Awareness and Experience
  - Applied Orientation through Alumni and Corporate Networks
Third-Year Integrated Core Experience (ICE)

- Innovative, integrative core curriculum for third-year Commerce students
- Modular curriculum delivered by four teams of seven faculty members, each representing the major disciplines
- Eight “blocks” of 40 students; each block with eight teams
- An opportunity to engage with and learn from a major corporation throughout the fall semester, particularly through a significant integrative project provided by the sponsor
A Student’s Perspective

• **What’s ICE really like?**
  - Mon-Thurs, 3 hours a day (either in morning or afternoon)
  - Offers a greater opportunity to get to know your professors and classmates
  - Professors teach collaboratively, leading a discussion (no lectures, no laptops)
    
      e.g. Phil Knight and Mike Krzyzewski
      Coaching Comparison, War Games, Myers-Briggs Test, Negotiations, Playing with Legos
  - Three major group projects during the year
B.S. in Commerce – Degree Program

Concentrations:
- Accounting
- Finance
- Information Technology
- Management
- Marketing

Tracks:
- Advertising & Digital Media
- Business Analytics
- Entrepreneurship
- Global Commerce
- Quantitative Finance
- Real Estate

Opportunities Upon Graduation
Class of 2015 Placement Highlights
Preliminary, July 2015

- Over 2,519 interviews were conducted at the University by McIntire students during last academic year.

- As of July 2, 2015 94% of the 2015 McIntire graduating class indicated they had either accepted a position (89%), were enrolling in graduate school full-time (4%), or chose not to seek employment (1%).

- The average annual base salary for the undergraduate Class of 2015 is $69,385.

- Currently 89% of the Class of 2016 are completing summer internships.
B.S. in Commerce Admission

Typically students apply in January of the second year for entrance in the third year.

Many factors come into play when the McIntire School examines a student’s qualifications for admission, including:

- cumulative GPA,
- academic performance in commerce prerequisites,
- course load, course difficulty, and breadth,
- leadership, activities, work experience, and
- oral and written communication skills.

Admission Information – Academic Advice

- Take full loads with challenging courses from various areas:
  - Quantitative
  - Oral and Written Communication
  - Ethics and Moral Reasoning
  - Global Perspective

- Stay on track to complete your Area Requirements in the College of Arts and Sciences, and explore possible majors in the College.

- Spread the prerequisites out and don’t take more than 2 mini GPA courses in the same semester.

- Get involved outside of the classroom.
