McIntire’s online application process consists of several sections. The University Student Information System automatically enters some of your information, but not all. You are required to provide the remaining information.

To help you prepare, the following is a page by page preview of the application. The screenshots depict the flow through each section.

The dates on this sample application are not the actual dates for this admission period and the student data is entirely fictional.
How To Apply....

1. **Registration:** Register on this website using your UVA computing id*. You must register between 11/20/15 12:01AM and 01/08/16 11:59PM.

2. **Confirmation:** Once you register, you will receive an email** containing a confirmation link. Follow this link and re-enter your password to confirm your registration.

3. **Start an Application:** After confirming your registration, you will be able to start an application. Review the SIS information in the application to ensure it is correct and fill out the student content portion of the application.

4. **Payment:** Before you can submit an application, you must pay a $75.00 application fee or request a fee waiver. There are links for both options on the last page of the application. If you request a fee waiver, you must do so at least two business days before the application is due. This gives us enough time to respond to your request.

5. **Submit Your Application:** Once you have paid the application fee or received a fee waiver, you can submit your application. It must be submitted by 01/25/16 11:59PM. However, you cannot submit an application before 10/05/15 12:05AM. This provides us enough time to analyze your SIS record to determine if you are meeting the admissions prerequisites. If you are not, you can indicate how you intend to satisfy the prerequisites before you submit your application.

*This website is for currently enrolled University of Virginia undergraduate students to apply for admission to the McIntire School of Commerce.

Website Registration

Use your UVA computing ID to register for this site. The password you choose will be only for this site. I.e., it will not be automatically updated if you change your UVA password.

After you register, an email will be sent to your UVA email address* with links to pay the $75 application fee (by credit/debit card) or request a fee waiver. Your registration cannot continue until you pay the application fee or request a fee waiver. When payment is complete, you will receive a confirmation link by email to finalize your registration.

If you apply for a fee waiver, the McIntire Undergraduate Admissions staff will review your request by the end of the next business day. If your request is approved, you will receive a confirmation link by email to finalize your registration. If your request is denied, you will receive an email with a link to make payment.

By registering on this site you agree to allow the McIntire School of Commerce to access your UVA Student Information System (SIS) record. Information in SIS will become part of your admissions application.
